

Central Board Minutes
February 9, 1960

Absent: MILLER, and PEMBERTON

Excused absences: TATE, and MARTIN

The meeting was called to order by President Ed Risse.

The February 3, 1960 minutes were corrected as follows:

On page 2, second paragraph, last sentence, change to read: Adams, Tate, Ulrich, Morris, Brown, and Stone in favor. Romstad abstaining. Also, page 3 under old business change the 4th sentence to read, "He said that there has been the proposal to turn some of the Advanced Air ROTC courses similar.....". On the same page under Library report, second paragraph, change the last part of the 3rd sentence to read in the literature section alone. On the same page and paragraph change the 7th sentence to read Morris moved that

Correspondence A letter was read from Notre Dame Preparatory School asking for permission to use our "Up with Montana" for their annual Gym Meet. Adams moved that we grant them this permission; Meyer seconded, and the motion was passed unanimously.

A letter was read from Kent State University requesting us to protest the execution of 150 Hungarian students who participated in the Hungarian revolution of 1956. Meyer suggested that the letter be turned over to the International Students Committee for further consideration.

A letter was read from Dr. Earl Lory saying that the required ROTC system at M.S.U. was under intense study. Bradley suggested that this should be made known to the students. Judy King was asked to see that the letter was published in the Kaimin.

Announcements

The letter from Utah State requesting talent for a talent show they are sponsoring was referred to Mr. Musselman and the Jubileers. Mr. Musselman is trying to find out how much time each talent group will be allowed and if it is over 20 minutes, he will probably arrange to take the Jubileers.

Risse said that if we can't get enough cars for transportation of the fans on Booster Night, we might have to use buses. Dean Cogswell said that if we couldn't get enough from the student's we can also call on the alums.

REPORTS

Student Union Student Union has requested \$400 for a movie program. There will be 5 movies and they will be classics or foreign movies. With this amount of money

they will no doubt be better than in the past.

AWS AWS has requested drapes for their office so that people won't stare in the window.

College Inn College Inn is still losing money. There has been trouble with high school students raising disturbances and if it continues they will have to be barred from the Inn.

Publications Board Adams moved that at Mr. Mongar's suggestion Fred Wollschlager, art major; Cyril Welch, Mathematics major; Penny Wagner, Journalism major, and Gib Nichols, senior CB delegate be added to the committee in order to comply with the by-laws. Meyer seconded. A lengthy discussion followed. The views were expressed that if the committee were in need of new members, it should be announced to the student body and applications received. The opinion was expressed that Mr. Mongar shouldn't be able to choose the people he wanted on the committee, that it should go through the proper channels. Adams pointed out that all the people except one were appointed simply to fulfill the by-law requirement of people to be on the committee. Brown said that granted, the appointments will be out of line, but in view of the fact that Pub Board is going to have 3 sets of editors and business managers to choose in the near future, Central Board should take the best interest of the University into mind and do what they think is best. The motion passed 7 to 6 with Nichols abstaining. Hansen, Martin, Bradley, Sankovich, Ulvila, Morris against. Adams then moved that Judy Bell Clark, James K. Dullenty, Kathleen Crowley, Lynn Hastings, Janie Picchioni, and Kathy Johnson be dropped from the committee because they have not come to meetings and have not expressed any interest in the committee. Ulrich seconded, and the motion passed unanimously. Risse then said that President Newburn had recommended Dean Cogswell as faculty advisor to Pub-Board. Brown moved that we accept this recommendation; Ulrich seconded. The motion passed unanimously with Dean Cogswell abstaining.

Library Bradley reported that they are still talking to people about getting the books back and were setting up a program to educate students to the Library policies. He recommended that no action be taken on the tabled motion of \$40 fine and possible expulsion from the University for stealing books until they've had a chance to return the books.

Budget-Finance Hansen asked that Central Board think about the Model U.N.'s request for money. The issue will be voted on next Wednesday. He also said that they had advertised for applications for Business Manager of the All-school show. If any are received, they will be interviews on Saturday morning.

New Business Bradley said that he had been asked to bring up the matter of having signs put up on the highways entering Missoula to the effect that M.S.U. is here and people are welcome to visit the campus. He said that perhaps we could have a contest for the best drawings to be used in the signs. Sankovich said that the Bear Paws have been considering doing this for their spring project.

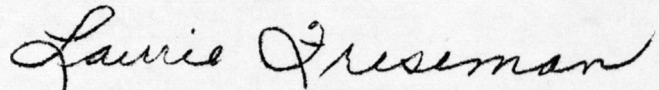

Pramenko presented a new form of government idea for the members to consider and said he would present it in the

form of a motion next week. The essence of the proposal was that 6 new commissioners be added to central board. They would be the commissioners of Publications, Athletics, Music, Finance, Demonstrations, and Convocations. The qualifications for these offices would be drawn up by faculty and administrative members who were qualified and the students would elect them. They would no doubt be seniors in their related fields. The object is so that a lot of time consuming committee work would be eliminated and the channels to and from students to and from the administration would be much quicker than at present. He said that too often enthusiasm at the University dies because of the channels and committee work it has to go through before anything materializes. Ulrich asked if a copy of this proposal could be mailed to each of the CB members this week so that they would have a chance to study it before next meeting. Pramenko agreed.

Morris said that the P.E. department has been requiring students to buy regulation outfits for their courses and it has been causing a great inconvenience, especially if the student has some equipment that he could just as well use. He said that several students had asked him to mention this matter. He moved that Central Board request the P.E. department to review this policy because the students don't like it. Sankovich seconded. The motion passed with Meyer, Cogswell, Brown, and Stone abstaining.

There being no further business, Adams moved that the meeting be adjourned. Sankovich seconded. Motion carried.

Respectfully submitted,

Laurie Freseman
Assistant Secretary, ASMSU

Present: Risse, Adams, Tate, Hansen, Nichols, Bradley, Lee, Meyer, Sankovich, Ulvila, Morris, Romstad, Cogswell, Brown, Stone, King, Mittal, Nelson, Murphy, Pramenko, Conners.
